Re:First International Specialized Fishery Exhibition “Fish Resources 2002”,Moscow,Russia

Dear Sirs,

From 26 to 30 June, 2002 the State Committee for Fisheries of the Russian Federation will hold in Moscow the First International Specialized Fishery Exhibition “ Fish Resources 2002” on the territory of the All-Russian Exhibition Center in the “Fishery” pavilion.

The Federal State Unitary Enterprise “ National Fish Resources” of the State Committee for Fisheries of the Russian Federation is in charge with organizing the Exhibition.

The All- Russian Exhibition Center traditionally is the main Exhibition Complex of Russia. The unique branch “ Fishery” pavilion located on its territory is now the center for holding social and administrative events with the participation of companies and institutions of Russian fishery branch, including educational and scientific institutions, fishing, processing and trade organizations.

The Exhibition’s program will cover scientific-practical Conference and all the possibilities for various business contacts will be granted.

Obviously the Exhibition will promote broadening mutually beneficial cooperation, rational utilization of aquatic bioresources, attracting investments, will provide a powerful impetus to the promotion of national fish products and scientific projection to the Russian and foreign markets.

I am pleased to invite you in our Exhibition “ Fish Resources-2002”.

I am sure that the Exhibition will enable you to find new business partners and realize your plans.

Sincerely yours,

Evgeny I. Nazdratenko
Chairman of the State Committee
For Fisheries of the Russian Federation
